Interconnected challenges:

- 1. Austerity policies
- 2. Economic and geopolitical interests
- 3. Internal colonialism

influence (Thibaut Lauwerier, UNIGE/eduCoop)

Opportunities:

- 1. Better targeting populations/regions/sectors in need
- 2. National/local ownership of international aid
- 3. Coordination instead of isolated/scattered actions
- 4. International advocacy for in-depth changes

"Swiss model"

par Mattia Pillonel

Proposer aux pays plus pauvres de s'inspirer du modèle suisse pour créer ou améliorer leur système éducatif: c'est ce que souhaite mettre en œuvre la Confédération. Mardi, à Berne, la Switzerland wants to promote its school system in poor countries
