

## **Workshop Title: Getting ready for Education in Emergency**

**Convener's name, organisation and e-mail:** Lucia Winkler

### **Main issues, questions discussed:**

- How to prepare CO / Organisations and Operational Partners for EiE

### **Conclusions:**

- Context / Situation Analysis – Problem Tree
- Organisational Gap
- Joint Education Needs Assessment (JENA) should be done each year for fundraisers
- Agora Website has relevant learning materials
  - Course on EiE for Representatives
  - 12 hours course EiE for staff (EiE for 1:1)
- Participation in Education Cluster is helpful however many governments do not have a Cluster Group
- Participation there is
- Country Office and Operational Partner staff: Mental health is Essential – they need safe space to express, we need to listen to them, PSEAH course
- TICC Teachers in conflict crisis – a lot of material free of access
- INEE: tool package
